Mr. Thomas N. Foster, Executive Director
Bullion Plaza Museum
P O Box
Miami, AZ 85532

Dear Tom,

After watching and experiencing the growth of the Bullion Plaza Museum and organization over the last 5 years or so, I wished to write a congratulatory letter. The museum has become a special place for both visitors and local folks. We enjoy our time spent there and the exhibits- especially the mining history- I find fascinating.

As a member of the Board of Directors of the Arizona Historical Society, I was pleased to present the "Plaza" with a grant check toward the planning & construction of the new mining exhibit. The results are wonderful!

A community must honor and embrace its history to understand what it's direction needs to be for the future. The Bullion Plaza Museum plays that very important role for the Town of Miami and it is my hope that that will be the case for many years to come. By bringing the historic building back to life and filling it with community history, the members and Board of Directors of Bullion Plaza have helped assure that the rich history of Miami will continue to live for future generations.

Thanks to all of you for a job well done!

Most Sincerely,

Lynn F. Haak
